## CELEBRATING 45 YEARS OF REMARKABLE WOMEN!

Cheers to 45 years! This year, YWCA Metro St. Louis' Leader Lunch celebrates a powerful legacy—45 years of championing women and igniting change. We are the cornerstone of women's advocacy in this region, and we don't just remember our history—we make it.

Here's to courage, conviction, broken barriers, dreams realized, and empowered leaders. We honor the past, celebrate the present—and we step forward, TOGETHER.

## DID YOU KNOW?

- The inaugural Leader Lunch was held in 1979 and was originally called Limelight Luncheon.
- To date, including 2025, 482 women have been honored as Academy of Leaders.
- The first Future Leader was recognized in 1988.
- The Leaders in the Workplace program was introduced in 2003. Since then, more than 4,000 women have been recognized.

## STAND WITH US—CHANGE LIVES

Leader Lunch is YWCA's primary fundraiser, connecting businesses and community leaders to celebrate exceptional honorees while supporting programs that advance housing stability, early education, economic empowerment, and services that help survivors heal from sexual and domestic violence. **With your support, we can continue to provide these vital services and programs for women and families in need in our community.**
