Miss Irene B. Riley
General Secretary
Griswold YWCA
65 S. 4th Street
Columbus, Ohio

My dear Miss Riley:

The attention of the Department of Race Relations was called recently to the fact that as a matter of policy Negroes are served without question in the dining room of the YWCA.

In behalf of the Urban League and those many citizens, black and white, in our community who are interested in a more friendly Columbus, will you permit me to express our most sincere congratulations for this courageous forward step in human relations. We hope that the results will be increased business, a series of fine interracial experiences and a deeper fellowship with the Negro citizens of this community. We want you to know that we sincerely appreciate the step that you have taken.

Cordially yours,

Robert Leonard Tucker
